

BIOL ELECTIVES FOR THE BIOLOGY MAJOR

Course numbers refer to BU Bulletin of 2001-02 or later
 Distinction between CM and EEB relevant to requirements for the B.S. for students
 entering Fall 2001 and later

	<u>NOT LAB</u>	<u>LAB</u>	
C M	300 - 319 400 - 419 480-, 483-, 484- A-D	320 - 329 420 - 429 480-, 483-, 484- E-H	E E B
	330 - 339 430 - 439 480-, 483-, 484- I-L 494 ^a 496 ^a	340 - 349 440 - 449 480-, 483-, 484- M-P 495 ^{a,b} 497 ^{a,b}	
	350 - 369 450 - 469 480-, 483-, 484- Q-T	370 - 379 470 - 479 480-, 483-, 484- U-X	

This table shows the logic in assignment of the course numbers. It does not mean that there is a course assigned to every number.

Course numbers highlighted in yellow or green are considered as Cell and Molecular Biology (CM) biology course electives.

Course numbers highlighted in blue or green are considered as Ecology, Evolution, and Behavior (EEB) biology course electives.

^a For biology electives -- For the BA we accept up to 4, and for the BS up to 8, credits in BIOL 494, 495, 496, and 497 combined.

^b For lab requirements -- For the BA we accept only one, and for the BS up to two, registrations in BIOL 495 and 497 combined.

To satisfy a lab requirement, each such registration must be for 2 or more credits.
