CSTEP
Student Contract of Commitment

The Collegiate Science and Technology Entry Program (CSTEP) is sponsored by Binghamton University and New York State Department of Education. It is an enrichment program designed to foster students' academic success in preparing for professional licensure.

Services provided to students are academic counseling, skills development, free tutoring, enrichment activities, internship/research opportunities, graduate school preparation, and workshops.

Upon admission into the CSTEP program, a student must maintain the minimum requirements stipulated by the New York State Department of Education and Binghamton University. Students must maintain a 2.5 cumulative grade point average, participate in at least one internship/research experience before graduation, complete appropriate paper work, meet with the project director at least one time throughout the semester, and attend support group meetings. Failure to meet the minimum requirements may result in dismissal from the program. If for any reason you can no longer commit to the program, you are required to contact the CSTP office.

I, _____, agree to commit myself to the goals of the CSTEP program by complying with the minimum requirements as stated above.
