General Education Courses

Binghamton University has a comprehensive General Education Curriculum. For information, go to <http://gened.binghamton.edu> and click on the “Transfer Checklist” for the most recent year. Determination of additional general education courses needed may require a transfer credit evaluation by a Decker School of Nursing advisor.

Nursing Major Courses

Traditional and Baccalaureate Accelerated Track (BAT) Programs

Students must complete 52 credits of required nursing courses at Binghamton University. To view the curriculum plan for the traditional program, go to <http://www2.binghamton.edu/dson/undergraduate-students/academic-programs/transfer-program.html#traditional-transfer-students>. To view the curriculum plan for the BAT program, go to <http://www2.binghamton.edu/dson/undergraduate-students/academic-programs/baccalaureate-track-program.html>.

RN to BS Program

The Decker School of Nursing accepts up to 20 credits in nursing course work toward meeting upper division nursing course requirements for licensed graduates of associate degree programs in nursing. Remaining nursing course credits can transfer for general elective credits. To earn the bachelor of science degree, registered nurses holding an associate degree must complete 32 credits of required nursing coursework at Binghamton University. To view the curriculum plan for the RN to BS program, go to <http://www2.binghamton.edu/dson/undergraduate-students/academic-programs/rnbs-program-options.html>.

Important Information Regarding Transfer Credits

- 1. Transfer Credit Limits:** There is no limit on the number of transfer credits allowed to count toward prerequisites, general education courses, and general electives. Required nursing courses must be taken at Binghamton University.
- 2. General Electives:** All students will need some credits in general electives to attain the 128 credits required for graduation. The number of elective credits required can vary widely. In most cases, students need between 10 – 20 credits of electives.
- 3. Science Courses:** Biology and Chemistry courses need to be taken within 10 years of entering the nursing program at Binghamton University. Exceptions are made for those employed in occupations where they are using these sciences.
- 4. Waiver of General Education Courses:** Students who possess a bachelor's degree in another field upon entering the Decker School of Nursing at Binghamton University will have all general education requirements waived.
- 5. Admission Disclaimer:** This transfer equivalency guide outlines a plan of study that allows for efficient completion of the bachelor's degree. Admission to Binghamton University is competitive and satisfactory completion of equivalent courses or an associate's degree is not a guarantee of admission.
