

ASCO Numatics Industrial Automation Engineering College Scholarships

ASCO Numatics, a division of Emerson, has been the world's leading manufacturer of comprehensive flow control and pneumatics solutions for over 100 years. We are proud to offer our 2011/2012 college [engineering scholarship](#) program aimed at rewarding exceptional undergraduate and graduate students pursuing a career in manufacturing and processing engineering.

ASCO Numatics will award two, \$5,000 scholarships to U.S. engineering students who are pursuing careers in industrial automation-related disciplines. Additionally, ASCO Numatics will make \$1,000 grants to the engineering departments of the colleges in which the winners are enrolled. The scholarships are merit-based and will be awarded on the candidate's potential for leadership and for making a significant contribution to the engineering, instrumentation, systems, and automation professions, particularly as they relate to the application of fluid control and fluid power technologies. Scholarship recipients may be eligible for an ASCO Numatics internship.

Apply for the ASCO Numatics Industrial Automation Engineering Scholarship

ELEGIBILITY REQUIREMENTS

- Must currently be enrolled in an undergraduate or graduate program in an instrumentation, systems, electrical, mechanical, or automation discipline at a U.S. educational institution accredited by an agency recognized by the Council on Higher Education Accreditation (CHEA).
