

HEALTHCARE SERVICES ON AND OFF CAMPUS

HEALTH SERVICES HOURS

Regular hours are 8 a.m. through 4:45 p.m., Monday through Friday. Students may walk in for service from 8 to 11 a.m. or they may schedule an appointment for 1 to 4 p.m., Monday through Friday. Urgent care needs are evaluated throughout the day.

AFTER-HOURS CARE

For emergencies, Harpur's Ferry ambulance service is available. Call 607-777-3333 or 911 from a campus telephone. This service is free to Binghamton University students. Three hospital emergency rooms are nearby, all within three to five miles of campus.

There are also several walk-in clinics with evening and weekend hours close to campus. Information regarding these locations is located on our website, on our after-hours telephone message, and in print in the vestibule of the Decker Student Health Services Center building.

Coverage for healthcare services on and off campus can be complicated and confusing. The following information can help students and parents understand what services are provided to students on campus (funded through the Student Health Fee) and what services require private health insurance coverage.

If you are coming to campus with private health insurance, be sure that your current plan will cover services in the Binghamton community and that you understand any limitations in coverage.

DEFINITION OF TERMS

DSHSC — Decker Student Health Services Center

STUDENT HEALTH FEE — A required fee paid by all Binghamton University students as part of the University's comprehensive fees. Allows all registered students access to many services at the Decker Student Health Services Center and the University Counseling Center without additional cost.

STUDENT HEALTH INSURANCE — All full-time undergraduate students are required to be covered by health insurance. Students will be billed for the University-sponsored student health insurance plan and are expected to pay the premium unless they can provide proof of comparable coverage and complete a waiver form to opt out of the University coverage. Additional information and an insurance waiver form can be found at <http://www2.binghamton.edu/health/document/health-insurance-waiver.pdf>.

UCC — University Counseling Center

UNITED HEALTH SERVICES — A local hospital system in the Binghamton community

UNITED HEALTHCARE STUDENT RESOURCES — The current University-sponsored student health insurance carrier. The annual premium and summary of benefits will be available at www2.binghamton.edu/health/insurance by mid-July. This is an annual plan. Students are billed by semester.
