

Contractor Parking Regulations

Contractor Parking – In order to park on Campus all contractor employee vehicles must display a Contractor Hang Tag and be parking in the appropriate areas.

Due to the fluid nature of the parking at the University any of the areas listed below, at times, may be restricted due to events occurring on the campus that require the use of lots that are listed below. Alternate arrangements will be made during such time periods.

1. Cost

- a. **Annual** - Contractor Hang Tags are available from Parking Services for \$80 per year.
- b. **Semester Only** - Contractor Hang Tags are available from Parking Services for \$40 per year.
- c. **Summer Only** – Contractor Hang tags for summer parking only, will be available at the reduced rate of \$20.00 / summer. This rate will be good for any period of time, from commencement up to the date of the incoming freshman arrivals.

2. Academic Year - Contractor hang tags are only valid in the following locations during the academic year.

- a. Lot E1
- b. Lot J – Southern Section Only
- c. Lot ZZ South – Western Section Only
- d. Connector Road (Only when this is specifically signed for Contractor Parking)

3. Summer – Contractor hang tags are only valid in the following locations during the summer.

- a. Lot E1
- b. Lot J – Southern Section Only
- c. Lot ZZ South
- d. Lot S4
- e. Lot S5
- f. Lot M1
- g. Lot H – Lot may be closed when needed for Event Center Parking
- h. Lot Y4
- i. Lot Y5

4. Vehicle Registration – Vehicle Registration is not required.

5. Transferability – Hang tag may be transferred to other contractor vehicles as desired.

6. Parking Violations – contractors must follow all rules and regulations regarding parking and vehicle traffic laws and regulations. Contractor will be responsible for all violations.
