

Transfer Information Sheet for Orange County Community College

AS in Business Administration

To

**Binghamton University's
School of Management**

BS in Management

Important Notes

1. Try to complete most of the SUNY GenEd requirements during the first 2 years.
2. Grades of C or better are required to transfer courses.
3. The foreign language requirement for all transfers is one college course at any level. Starting Fall 2009 it will be language study through the Intermediate 1 level. Waivers are possible if your native language is not English or if completed sufficient high school language study.
4. Junior level (numbered 300 or higher) School of Management courses do not transfer from community colleges without passing a validation exam. Exams are given at the start of each semester. Students who take 2 marketing courses and receive grades of B or better in each will be exempt from MKTG 311 at BU and will not need to take the validation exam.
5. ** Managerial Accounting only transfers for students entering the BS in Mgmt program. Acct majors do not take Acct 212 and so this course would not transfer for them.
